

Filing Date: August 26, 2021

**502 KAR 47:010**, Methamphetamine, has been filed with the Legislative Research Commission for amendment. This administrative regulation establishes the method by which the Kentucky State Police shall notify the Energy and Environment Cabinet and the Cabinet for Health and Family Services that a property contains potentially hazardous materials resulting from the manufacture of methamphetamine. The regulation is revised to update references to KRS and for syntax and grammar.

The regulation may be accessed on the [LRC website](#). A public hearing on this administrative regulation will be held on November 23, 2021 at 3:00 p.m. at the Department of Criminal Justice Training, Funderburk Building, 4449 Kit Carson Drive, Richmond, Kentucky 40475-3102. Any person who wishes to be heard at this hearing shall notify the agency in writing by five workdays prior to the hearing of their intent to attend. Written comments will be accepted through November 30, 2021. Send written notice of intent to be heard at the public hearing or written comments on the proposed administrative regulation to Katherine George, 4449 Kit Carson Drive, Richmond, Kentucky 40475-3102, or [Katie.George@ky.gov](mailto:Katie.George@ky.gov)
